

Cache Valley School of Ballet Scholarship Information / Application

A limited number of full and partial scholarships are available to students at all levels. Scholarships are applied to tuition only and are based on merit and financial need. All scholarships will automatically become open at the end of each academic year. *In the case of a partial scholarship, students with outstanding tuition balances may not apply for a new scholarship until the balance due is paid in full.*

When a student receives a scholarship for the fall semester, it will be carried over for the spring semester. Exceptions would be; at the request of the parent/student or if the student has not fulfilled the obligations of the scholarship. Because scholarships are in the form of tuition waivers, recipients will be evaluated by the faculty and recommendations will be made to continue or discontinue assistance at the end of each semester.

Scholarship Obligations:

- **Scholarships are applied to tuition only. Students and their families are responsible for any other cost accrued.**
- **Students must attend class on a regular basis to remain eligible for the scholarship program.**
- **Students should continually show progress with technique work.**
- **Those on scholarship should serve as positive examples to the other students.**
- **Scholarship students will be asked to share some responsibilities within the school and may be asked to perform some tasks or service hours.**
- **The insurance fee paid in full at the time of registration.**

Determinations are made on a case by case basis by the scholarship committee. A scholarship application must be completed before a student may be considered for scholarship. All applications and financial information will be kept confidential.

Thank you for your application. The school secretary will be in contact with you as soon the application is reviewed.

CVSB Scholarship Application Form

The information you provide for us below will help determine how to allocate our scholarships. Please answer the following questions. Complete information is necessary for the application to be reviewed.

Date Submitted _____

Applying for : Full Scholarship Partical Scholarship
